

Die
Kill
Live

Die Kill or, Live

Question

Would you die for me
Could you imagine the concept of total loss for my salvation
Is it really in you to kiss the lips of death
Allowing me to pass by unnoticed

Would you kill for me
Taking the life of another in pace of my own
Tainting your soul
And guaranteeing your place in forever's damnation

.
. .
. .
. .
. .

On second thought, that's too easy...
Would you LIVE for me
