## I & I

God of man  
Man of God

The all powerful  
The seeker

Pray to I and adorn I with praise  
Let us pray to Him and to His praise ask favour

Imbued with omnipotence  
Inculcated with the order of obedience

At opposite ends of the spectrum  
Oppugnant Outliers

God as proprietary of patriarchy  
Man in need of His patronage

An insurmountable urge for continued allegiance  
Coupled with wilful kneeling driven by destitute
