

UNRIVALLED

Unrivalled

Unlearn the indoctrination
Revise the mental incarceration
Free yourself from yourself
And embrace thy reflection

Overcome the fear with bravery
Extinguish the anxiety
Make note of every breath
And see with every cell that is your anatomy

As the personification of understanding
Broaden the horizon and see beyond the scope of perception
Cause the desired outcome
Drown in the exuberance of victory
And engage with the might of conviction
