

# DEVOTION

## **DEVOTION**

My passion. My pain. My pleasure  
The drive. The hurt. The satisfaction  
It thrills. It festers. It comforts  
Exuberant. Excruciating. Exhilarating

And all in all I live, I breathe, I love  
Devoted to my actions of purpose  
Devoted to my stride through struggles  
And devoted to a life of devotion
